Bright yellow colour  
with green hue.  
White pepper, mild  
spices, ripe pear and  
apricots. On the palate  
well structured with  
opulent character, juicy  
fruit and good length.

### Andreas Larsson

*Best Sommelier of the World 2007*

Light golden colour.  
Exotic nose of dry  
spices and tropical  
fruit - mango, apricot  
and pineapple. Very  
lush palate, spicy with  
a creamy texture and  
bold fruit, still with a  
good dose of freshness  
and a very long, exotic  
finish, well made and  
potent.
