**Weingut R&A Pfaff  
Grüner Veltliner  
Weinviertel DAC Reserve  
HOMMAGE 2014**

„From 54-year-old vines which were harvested late on October 10th, the 2014 Weinviertel DAC Reserve Hommage had to be fermented and aged not in the traditional 2000-liter acacia vat, but due to the low yield, in 300-liter barrels. Very intense, honey-sweet and spicy on the nose, this is a rich and full-bodied but also transparent and finesse full wine of great elegance, and provided with a vital and mineral complexity. Still influenced by oak flavors, this highly elegant Veltliner should be cellared for at least two years. The salinity in the finish is really lingering and stimulating. This wine has been launched in August, but the best you can get from it, you will get in the future.”
