**Weingut R&A Pfaffl  
Grüner Veltliner  
Weinviertel DAC  
HAIDVIERTEL 2014**

„From deep loess soils, the 2014 Weinviertel DAC Haidviertel is more subtle than the corresponding Zeiseneck Veltliner and shows leafy flavors and some lemon aromas, along with white pip fruit aromas. Crisp and piquant on the palate, this is a medium-bodied, fairly elegant, deep and very fruity Grüner Veltliner whose finish is quite powerful, long and mineral, and reveals good tension and length.”
