**Weingut R&A Pfaffl  
Grüner Veltliner  
Weinviertel DAC Reserve  
HOMMAGE 2013**

„Golden-greenish in color, the 2013 Weinviertel DAC Reserve Hommage was fermented in 2000-liter barrels, and opens subtle and fresh but deep and complex on the nose. This is a full-bodied and rich, highly elegant and well balanced wine with a lovely freshness and vivid mineral backbone, which gives tension and aging potential. This is a powerful but remarkable, finesse full Veltliner with a promising finish. Drink now or in 15 years.”
